Learning Outcomes

1	To enable students to speak English fluently.
2	To convey the most polite English expressions and patterns that the student will use in his / her professional life to the student in a practical way with audio and written materials.
3	The aim of this course is to enable students to complete the course by learning the English equivalents of the professional terms (words and expressions) that they use while working (in the office, at the airport, on tours, etc.).
4	Through listening and speaking activities, students will be able to understand what they are listening to and improve their ability to say what they think.
5	Students will learn the necessary terms and grammar structures needed while learning a foreign language by reading, speaking and listening.
