Learning Outcomes

1	To be able to make a profound literature research on a given subject
2	To be able to synthesize, analyse and interpret the information obtained
3	To be able to write a report on the results

4	To be able to present the outcomes
5	To gain the ability to make scientific presentations

Programme Outcomes (Soil Doctorate)

1	To be able to apply the theoretical information achieved during the graduate study
2	To be able to collect data by scientific means, to evaluate and interpret
3	To be able to update himself continuously
4	To be able to assess the convenient analytical methods during the process of the scientific study
5	To be able to put forth solutions to soil use and plant development
