3	Practice	Assessment of the patient's health status, detection of health problems, care planning, implementation and evaluation, creating therapeutic communication with patient.
	Preparation Work	Literature search, topic search
4	Theoretical	Beginning to Mental Disorders Individuals with Affect Disorders and Nursing Approach Clients with Schizophrenia and Other Psycotic Disorders and Nursing Approach-Clients with Dissociative and Somatoform Disorders and Nursing Approach Psycosomatic Disorders and Nursing Approach
	Practice	Assessment of the patient's health status, detection of health problems, care planning, implementation and evaluation, creating therapeutic communication with patient.
	Preparation Work	Literature search, topic search
5	Theoretical	Clients with Personality Disorder and Nursing Approach Sexual Function Disorders and Nursing Approach-Substance Abuse Disorders and Nursing Approach Organic MEntal Disorders and Nursing Approach
	Practice	Assessment of the patient's health status, detection of health problems, care planning, implementation and evaluation, creating therapeutic communication with patient.
	Preparation Work	Literature search, topic search
6	Theoretical	Treatment methods used in Psychiatry and Mental Health and Responsibility of Nurses-Psychiatric Rehabilitation
	Practice	Assessment of the patient's health status, detection of health problems, care planning, implementation and evaluation, creating therapeutic communication with patient.
	Preparation Work	Literature search, topic search
7	Theoretical	Emergency Cases in Psychiatry and Emergency Psychiatric Nursing-Emergency Cases in Psychiatry and Emergency Psychiatric Nursing
	Practice	Assessment of the patient's health status, detection of health problems, care planning, implementation and evaluation, creating therapeutic communication with patient.
	Preparation Work	Literature search, topic search
8	Practice	Assessment of the patient's health status, detection of health problems, care planning, implementation and evaluation, creating therapeutic communication with patient.
	Preparation Work	Kum, N., Pektekin, Ç., Özcan, A., Terakye, G., Özaltın, G., Yurt, V., Öz, F.,Doğan, S., Buldukoğlu, K.: Psikiyatri Hemşireliği El Kitabı. Ed:N.Kum, Vehbi Koç Yayınları, İstanbul, 1996. Keltner, N.L., Schwecke, L.H., Bostrom, C.E., Psychiatric Nursing, Second Edition, Mosby Company, 1995. Gençtan, E., Psikodinamik Psikiyatri ve Normal Dışı Davranışlar, 9.Basım, Remzi Kitabevi, Ankara, 1993.
	Intermediate Exam	Midterms I
9	Theoretical	Consultation Liaison Psychiatry Nursing-Mental Disorders in General Medicine and Multidisciplinary Approach
	Practice	Assessment of the patient's health status, detection of health problems, care planning, implementation and evaluation, creating therapeutic communication with patient.
	Preparation Work	Literature search, topic search
10	Theoretical	Care of individuals with diseases threatening life-Medical Treatments in mental disorders and nursing approach
	Practice	Assessment of the patient's health status, detection of health problems, care planning, implementation and evaluation, creating therapeutic communication with patient.
	Preparation Work	Literature search, topic search
11	Theoretical	Prevention of Mental Disorders-Prevention Levels
	Practice	Assessment of the patient's health status, detection of health problems, care planning, implementation and evaluation, creating therapeutic communication with patient.
	Preparation Work	Literature search, topic search
12	Theoretical	Mental Disorders and Health Promotion-Mental Disorders in Children
	Practice	Assessment of the patient's health status, detection of health problems, care planning, implementation and evaluation, creating therapeutic communication with patient.
	Preparation Work	Literature search, topic search
13	Theoretical	Mental Health Problems in Adolescents-Senility and Mental Health
	Practice	Assessment of the patient's health status, detection of health problems, care planning, implementation and evaluation, creating therapeutic communication with patient.
	Preparation Work	Literature search, topic search
14	Theoretical	Addiction and nursing care, Homeless People with mental disorders, Street Urchins, Prisoners with Mental Disorders
	Practice	Assessment of the patient's health status, detection of health problems, care planning, implementation and evaluation, creating therapeutic communication with patient.
	Preparation Work	Literature search, topic search
15	Theoretical	Violence and Misuse in Public, Nursing Care

15	Practice	Assessment of the patient's health status, detection of health problems, care planning, implementation and evaluation, creating therapeutic communication with patient.
	Preparation Work	Literature search, topic search
16	Practice	Assessment of the patient's health status, detection of health problems, care planning, implementation and evaluation, creating therapeutic communication with patient.
	Preparation Work	Kum, N., Pektekin, Ç., Özcan, A., Terakye, G., Özaltın, G., Yurt, V., Öz, F., Doğan, S., Buldukoğlu, K.,: Psikiyatri Hemşireliği El Kitabı.
