	Final Exam	FINAL EXAM

Workload Calculation

Activity	Quantity	Preparation	Duration	Total Workload
Lecture - Theory	14	2	2	56
Midterm Examination	1	20	4	24
Final Examination	1	18	2	20
Total Workload (Hours)				100
[Total Workload (Hours) / 25*] = ECTS				4

*25 hour workload is accepted as 1 ECTS

Learning Outcomes

1	Student has information about development of mental health on children and adolescents in terms of developmental periods
2	To be able to make assessment of mental health on children and adolescents
3	Student has information on mental disorders particular to childhood and adolescence periods
4	Student may be able to determine children and adolescents with risky behaviors and has information
5	Student has enough information on treatment approaches of mental disorders encountered on childhood and adolescence
6	Student knows and can apply the mental health development and mental disorder prevention programmes
7	Student can make family intervention when faced with problems seen on childhood and adolescence
8	Student may use nursing process in mental disorders encountered on childhood and adolescence

9	Student has information about legal situations on problems encountered in childhood and adolescence
---	---

Programme Outcomes (Public Mental Health Nursing Master's Without Thesis)

1	Student has the current theoretical and practical knowledge in master's degree in Psychiatric Nursing field based on his previous learning in bachelor's degree, student realises the knowledge, deepens and uses it
