#### Assessment Methods and Criteria

| Method | Quantity | Percentage (%) |
|--------|----------|----------------|
|--------|----------|----------------|

#### Recommended or Required Reading

| Week | Weekly Detailed Course Contents |
|------|---------------------------------|
|------|---------------------------------|

#### Workload Calculation

| Activity                                               | Quantity | Preparation | Duration | Total Workload |
|--------------------------------------------------------|----------|-------------|----------|----------------|
| Total Workload (Hours)                                 |          |             |          | 0              |
| [Total Workload (Hours) / Weekly Workload (25)] = ECTS |          |             |          | 0              |

#### Learning Outcomes

#### Programme Outcomes (Fundamentals of Nursing Doctorate)

|    |                                                                                                                                                    |
|----|----------------------------------------------------------------------------------------------------------------------------------------------------|
| 1  | To be able to develop philosophical aspect specific nursing,                                                                                       |
| 2  | To be able to have comprehensive knowledge about Fundamentals of Nursing,                                                                          |
| 3  | To be able to conduct independent research at a level to provide evidence for nursing care according to the research and publication ethics policy |
| 4  | To be able to role model at systematic presentation of nursing care                                                                                |
| 5  | To be able to manage the systematic nursing care                                                                                                   |
| 6  | To be able to use the nursing models at nursing care                                                                                               |
| 7  | To be able to leadership in the nursing care and nursing education                                                                                 |
| 8  | To be able to adapt the care practices involved in the subject areas of nursing fundamentals in accordance with current developments               |
| 9  | To be able to develop methods for the nursing care with the help of innovative approaches                                                          |
| 10 | To be able to adapt the current approaches in education and training into the education of Fundamentals of Nursing                                 |
| 11 | To be able to develop methods in the education of Fundamentals of Nursing with the innovative approaches                                           |
| 12 | To be able to have a foresight about the future within the context of the historical process of nursing                                            |
| 13 | To be able to efficiently use the written and verbal Turkish communicational skills                                                                |
