

AYDIN ADNAN MENDERES UNIVERSITY COURSE INFORMATION FORM

Course Title		Educational Anthropology							
Course Code		EBB281		Course Level		First Cycle (Bachelor's Degree)			
ECTS Credit	4	Workload	100 (<i>Hours</i>)	Theory	2	Practice	0	Laboratory	0
Objectives of the Course		This course aims to examine diverse meanings attributed to education in different socio-cultural contexts from a comparative perspective on the basis of significant empirical research underlying theoretical discussions. We will try to shed light on the connections between education, schooling, and learning on the one hand, and cultural codes and patterns on the other. Secondly the course aims to gaining insight into different approaches in educational anthropology.							
Course Content		This course focus on debates about education in Turkey, with particular reference to the relationships between social class, family history, Turkish modernization and gender, and education. Discussing a number of studies on education in Turkey, we will dwell on biographies and autobiographies of Turkish men and women who received education in different periods of time, different schools.
